

A letter from the heart to YOU my dear alumni...

What would I have done without YOU? For the past five years, ever since I accepted the post of Alumni Relations – YOU have been a tremendous encouragement and support in keeping XIC connected, and our relationship alive!

Without your 'in-touch' commitment, we would not have known how far you have progressed in your careers, or how fulfilled you have been in your professions after XIC. I was always proud of your achievements and your dreams – which also became my dreams for you.

Thank you all – for visiting XIC when your professional commitments allowed you to, it was always wonderful to see you; Thank you to those of you who returned as lecturers; those of you who made yourselves available to share your experiences with new entrants at the Alumni Forums; those of you who supported us generously from time to time, and are still supporting us by presenting the Alumni Awards – You have been very gracious.

Thank you also for being with us at our various events and dinners, it was always a pleasure to meet and reminisce about your time at XIC, THANK YOU tremendously.

You must wonder why this letter now – well, I will be leaving XIC after a long innings of 30 years. **It was you as students and alumni who kept me going**, I will always cherish those memories. My last date of service in XIC will be **30th June 2011**.

Do continue to keep in-touch! Keep connected! Keep XIC intimated about your successes. Do continue to give XIC all the support you extended to me, OK?

*God's Blessings Always,
Jeanne*
